Dear Grace,

Congratulation! The Certification Committee of the Texas Nursery & Landscape Association (TNLA) is extremely pleased to inform you that you have passed the TCLP examination.

Your TCLP number is 813. Enclosed with this correspondence are your certificate, promotional info and an CEU form. The Certification Committee encourages you to advertise your TCLP status as much as possible.

Your certification is in effect through June 30, 2023. Renewal of your certification will be due by June 30, 2023. Between now and June 30, 2023 you will be required to earn 16 continuing education units.

Please use the enclosed CEU form to keep track of your CEUs during the renewal period. Almost every event related to the nursery/landscape industry will qualify for CEU points. Please contact the Certification Department with any questions you may have about qualifying events.

As ye can see, it is imperative that your TCLP file be kept current regarding your mailing address and employer. It is your responsibility to notify the TNLA Certification Department of any changes to your record either by phone, fax, mail or email (certification@tnlaonline.org).

Again, our congratulations for attaining your TCNP certification! If we may be of service in any way, please do not hesitate to contact the Certification Department.
